

HBS 6000

Programmable Transmitter

Body & Wetted Parts

316 Stainless Steel standard
Weatherproof rated IP65

Sensor

PT100 Class A.

Output

4 - 20mA

Accuracy

±0.25%

Stability

±0.02%/ °C

Connection

½" BSP as standard
(others available)

Stem Length

50, 75, 100, 150mm
(others available)

Programmable Range

-50°C to + 250°C
(min 50°C)

CE Approval

BS EN61326

Ambient Temperature Limits

0 - 70°C
